OFFICER A. MURPHY.		ID# 10702		DATE 9/22/2020								

1 On 08/16/2020 at approximately 0700 hours, I was contacted via cell phone by Detective Wood. He
2 asked that I respond to the Hemet Police Department located at 450 E. Latham Avenue, in the City of
3 Hemet, County of Riverside. Once I arrived at the Hemet Police Department, Corporal Alvarez
4 requested that I respond to San Jacinto Street and Oakland Avenue, in the City of Hemet, County of
5 Riverside, to assist in processing a scene. I arrived at San Jacinto Street and Oakland Avenue and
6 Investigator Klinzing gave me a walk-through of the scene. As he was giving me a walk through he
7 asked me to take overall photographs of the scene. He also requested that I take overall exterior
8 photographs of all units at the scene and document approximate measurements of Officer Schroeder's
9 unit #2913 (CA Exempt-1554978), Officer Detwiler's unit #3040 (CA Exempt-1395762), Officer
10 Featherly's unit #2911 (CA Exempt-1554592), Officer Al. Reynoso's unit #3021 (CA Exempt-
11 1264351), Corporal Christianson's unit #3176 (CA Exempt-1164789), and a green Toyota (CA-
12 4YLD673). Investigator Klinzing also asked me to take exterior photographs a tan Chevy Silverado
13 (CA, 7Z32126) He also pointed to a deceased male in the roadway. I began by taking overall exterior
14 photographs of all Officer units and the green Toyota (CA, 4YLD673).

15
16 Riverside Sheriff's Coroner's Deputy Townsend then began to conduct her investigation. As she
17 conducted her investigation, I photographed the process. Deputy Townsend removed a pair of
18 handcuffs from the deceased male's wrist and I collected them as evidence. As she was conducting her
19 investigation, she located a key fob in the deceased male's right arm compression sleeve. I
20 photographed the key fob and assigned it an item number (item #1). I then collected the key fob as
21 evidence. After I photographed the assigned tag to the body bag, Deputy Townsend stated she needed
22 to open the body bag and add the deceased male's shoes. She added another tag to the resealed body
23 bag and I photographed it. I collected a gun shot residue kit from Deputy Townsend.

1 After Deputy Townsend was finished processing the deceased male, Senior Investigator Quilantan
2 from the District Attorney's Office, Investigator Klinzing and I began to process the scene. As Senior
3 Investigator Quilantan and Investigator Klinzing pointed to items they wanted collected as evidence, I
4 assigned them an item number and I photographed them. Investigator Klinzing assisted me with
5 measuring the approximate distance of all of the Officer units, green Toyota, and all numbered items
6 with the exception of numbered items located in the green Toyota. Investigator Klinzing and I used a
7 department issued roll tape and we measured all Officer units, green Toyota, and numbered items
8 using the north curb line prolongation of Oakland Avenue and the west curb line of San Jacinto Street.
9 When we were finished measuring, I collected all numbered items as evidence (see pages 6 through 7).
10 All possible blood swab samples were collected using clean cotton tipped swabs and distilled water.
11 All collected items were secured in my truck and later booked into evidence. A CD with 615
12 photographs of the scene was booked into evidence.

3
14 After I was finished processing the scene, I responded to the Hemet Police Department to chart Officer
15 Detwiler's 12 GA Shotgun (SN: V512838V) with five 12 GA rounds and his Colt Defense 5.56mm
16 AR-15 (SN: A0222611). Each firearm was displayed and photographed. After the charting was
17 completed, I booked the firearms into evidence (see page 8). All photographs of the charting were
18 included in the CD of 615 photographs of the scene that was previously mentioned above.

19
20 On 08/20/2020 at approximately 0700 hours, I responded to 401 N. Juanita Street (LP Denny
21 Building), in the City of Hemet, with Detective Willison and Senior Investigator Quilantan to process
22 the green Toyota (CA, 4YLD673). Senior Investigator Quilantan asked me to take overall exterior and
23 interior photographs of the green Toyota. Once I was finished taking overall photographs of the green
4 Toyota, Senior Investigator Quilantan and Detective Willison began searching the vehicle. As Senior

Investigator Quilantan and Detective Willison pointed to items, I assigned them an item number and photographed them. I then collected all numbered items as evidence (see pages 9 through 10). All collected items were secured in my truck and later booked into evidence. I booked item #1 (Kodiak Case w/ ID & Letter) under case number 20-6129. Item #1 was checked out by Detective Willison on 08/20/2020 and when he checked item #1 back in he requested item #1 to be moved to case number 20-6121. A CD with 226 photographs of the green Toyota was booked into evidence.

On 08/21/2020 at approximately 0700 hours, I responded to 401 N. Juanita Street (LP Denny Building) with Investigator Klinzing and Senior Investigator Quilantan to assist in processing a tan Chevy Silverado (CA, 7Z32126). Senior Investigator Quilantan asked me to take overall exterior and interior photographs of the tan Chevy Silverado. After I finished taking overall photographs of the tan Chevy Silverado, Investigator Klinzing and Senior Investigator Quilantan opened the hood of the vehicle. I photographed underneath the hood of the vehicle as is. Investigators began to search underneath the hood of the tan Chevy Silverado and located a possible bullet hole. Investigator Klinzing assisted me in holding a trajectory rod through the possible bullet hole and I photographed it. A CD with 95 photographs of the tan Chevy Silverado was booked into evidence.
