## STATEMENT OF PROBABLE CAUSE

### **1. Inform court of authority to request warrant (peace officer and agency)**

I, Officer R. Clifton, am a peace officer employed by the Dinuba Police Department.

### **2. Facts showing: DF1801918**

#### **a. Crime was committed (do not conclude crime committed without facts to support)**

On 7/7/2019 0216 hours, I Officer Clifton observed a 2004 silver Mitsubishi Eclipse fail to stop a posted stop sign. I activated my emergency overhead lights and the vehicle accelerated and was attempting to flee from me. I then activated my Police Siren and was pursuing the suspect. The suspect was traveling at speeds near 85 MPH, failed to stop at a posted stop sign, and also failed to stop a solid red light. During the pursuit the driver was throwing check stubs out the window that were later collected and shown to display the name [REDACTED]. The vehicle came to a stop approximately 1 mile later and the suspect fled on foot. The suspect was a Hispanic male wearing black pants, gray shirt and had a goatee. After investigating the incident for 2 days it was determined that the vehicle belonged to the suspect [REDACTED]. It was discovered that [REDACTED] also had a suspended CDL, is currently on probation and had a no bail warrant out of Tulare County.

#### **b. Suspect is connected to the crime (again, do not conclude without facts to support)**

The suspect [REDACTED] is connected to the crime based on video surveillance showing him wearing the same clothes as the suspect just minutes before the pursuit. The check stubs that were thrown from the vehicle during pursuit had his name on them. The vehicle had a bill of sell signed by [REDACTED]. His supervisor described his vehicle as the same type of vehicle that was involved in the pursuit. His girlfriend and mother of his children gave a statement that [REDACTED] admitted to being chased by the cops, crashing the vehicle and fleeing on foot hours after it occurred.

### **3. Signed under penalty of perjury with a date**

Dated: 7/12/2019

  
Officer R. Clifton

**Primary Narrative****INCIDENT REPORT**

**Facts:** Subjects led Officer's on a high speed pursuit before stopping the vehicle and fleeing on foot.

**Narrative:** On 07/07/2019 0216 hours, I (Officer Clifton) was in full uniform in a fully marked Police unit #17 traveling northbound in the 1500 block of N. Crawford. As I approached the intersection of Crawford and Nebraska Avenue I made a westbound turn and began traveling westbound on Nebraska. As I began traveling westbound on Nebraska I observed 2 vehicles traveling eastbound towards my location. The lead vehicle had a right front headlight out and I was planning on making a u-turn in order to conduct a traffic enforcement stop for the violation.

As the lead vehicle passed I was unable to make an immediate u-turn due to the proximity of the vehicle behind it and was forced to wait until the second vehicle passed me. As the second vehicle passed me I made a u-turn and was attempting to catch up to the lead vehicle. The lead vehicle made a southbound turn into the entrance of the apartment complex at 1655 N. Crawford. As I was getting closer to the apartment complex I observed the second vehicle accelerate at a high rate of speed and appeared he was trying to gain distance from me.

My attention was now focused on the second vehicle which was later identified as a 2002 Silver 2 door Mitsubishi Eclipse with a CA license plate number of 4VVU906. I could hear the engine accelerating towards the intersection of Crawford and Nebraska and it appeared the vehicle was not going to stop. I began to accelerate my patrol vehicle in an attempt to catch up to the vehicle at which time the vehicle failed to stop at the posted stop sign and made a southbound turn onto N. Crawford Avenue.

At that time I activated my emergency overhead lights in order to conduct a traffic enforcement stop for the violation of Vehicle Code 22450. The vehicle continued to accelerate and was quickly picking up speed at which time I advised dispatch that I had a vehicle that was failing to yield traveling at a high rate of speed southbound on N. Crawford Avenue. I then activated my siren and was pursuing the vehicle and was attempting to close the gap in order to read the license plate.

The vehicle quickly approached the intersection of N. Crawford and Saginaw which is a 4 \*\*\* stop with a vehicle stopped facing southbound on N. Crawford. Due to a vehicle being located in the southbound lane the suspects' vehicle

crossed over a double solid yellow line and proceeded through the intersection without stopping for the posted stop sign. The vehicle was traveling approximately 75 MPH as he traveled through the intersection. Shortly after passing through the intersection we were passing 580 N. Crawford at which time the suspect began throwing things out of the sunroof. I initially thought that it was money and advised dispatch of what was occurring.

The vehicle continued southbound on N. Crawford where speeds were reaching approximately 85 MPH in a posted and surveyed 45 MPH zone. The vehicle continued southbound and approached the intersection of Crawford Avenue and E. El Monte \*\*\* which is controlled by a signal light in all directions. The light was a solid red for southbound traffic as the vehicle passed through the intersection at approximately 75 MPH and failed to stop at the solid red light.

The vehicle traveled for approximately .2 of a mile further south before attempting to make a westbound turn onto E. \*\*\*\*\*. The vehicle was traveling a high rate of speed and was unable to make the turn and began traveling towards the south curb line. Due to the fact that the driver was unable to make the westbound turn and was facing the south curb line he placed the vehicle in \*\*\*\*\* , exited the driver's side door and began to flee on foot.

As the driver exited the door he ran north towards the back of the vehicle at which time I got a good look at him and was able to provide dispatch with a description. As the driver got to the rear of the vehicle he then proceeded to head westbound on \*\*\*\*\* for a short distance. As the driver was running westbound I stayed in my patrol vehicle and was directly behind him. The driver then ran northbound in the alley directly east of \*\*\*\*\* Avenue. The driver then jumped the fence of \*\*\*\*\* at which time I advised the units responding to set up a perimeter. As the units were responding I advised them that the suspect was wearing black pants, a Gray shirt, and had a goatee. Although it was not broadcasted over the radio I was able to observe that the suspect also had short black hair and was a light skinned Hispanic male. I advised dispatch that the suspect was in his mid to late 20's or even early 30's.

After the units were in the area and a perimeter was set up I was advised that TCSO Deputies would be arriving shortly with a K-9 Officer. As I was standing by waiting for the K-9 to arrive on scene I went back to the suspects' vehicle and began searching for any evidence that may assist me with the investigation. Inside the center console I located a paycheck stub from Brandt Farms in Reedley that had the name \*\*\*\*\* on it. I also located in the glove box a DMV bill of sell on the vehicle and it was signed by a name \*\*\*\*\*. As I was searching the vehicle Officer Cordell arrived in the 500 block of N. Crawford and advised that the items thrown out of the vehicle were not paper money but in fact check stubs with the name \*\*\*\*\* on them. The check stubs were from

Brandt Farms and Full Steam Staffing which is a temporary employment business.

Approximately 10 minutes after the suspect fled on foot Deputy Montoya arrived on scene and was briefed of the situation. Deputy Montoya made K-9 announcements at which time a yard to yard search began. We started the search in the backyard of \*\*\*\*\* where the suspect was last seen. Deputy Montoya was leading the search along with another Deputy, Officer J. Guzman and I (Officer Clifton).

Deputy Montoya's K-9 partner quickly searched the backyard and exited out the side gate onto \*\*\*\*\* Avenue and began traveling quickly northbound up the street. As we arrived in front of \*\*\* \*\*\*\*\* Deputy Montoya advised to look around carefully and he believed the suspect was in the area due to the \*\*\* his K-9 was acting. The K-9 then searched in the yard for a brief moment and then headed directly for the front door. The K-9 continued to track near the front door and it appeared the suspect had entered the front door of that residence. See Deputy Montoya's report 19-8296 for full details regarding the incident.

We knocked on the front door of \*\*\* \*\*\*\*\* Avenue and did not get an answer initially. We continued knocking on the door at which time a male subject answered the door. As soon as the male subject answered the door I believed it was the driver and suspect that had just fled on foot. The male driver identified himself as \*\*\*\* and appeared to be sweating. The subject had black shorts on with no shirt, no socks or shoes. The subject later identified as \*\*\*\* \*\*\*\* advised that he was not sweating and had just exited the shower. Due to the fact that the subject matched the description, the tracking of the K-9 and appeared to me to be the same subject as the driver who had just fled on foot, I advised \*\*\*\* to place his hands behind his back and placed him under arrest.

As I was placing \*\*\*\* under arrest he advised me that he heard something in his backyard and it sounded like someone was trying to break into his residence. At the time of the incident and based on the circumstances it appeared to me that \*\*\*\* was making this statement in a manner to take the focus off of him as the suspect and re-direct it towards someone else. I advised Officer Guzman to take control of \*\*\*\* and place him into the back of his patrol unit. Officer Guzman later transported \*\*\*\* to the PD for booking.

Due to the fact that \*\*\*\* stated someone was possibly trying to break into the residence we had all of the occupants exit the residence and we began clearing each room. As we entered into the master bedroom of the residence I entered the bathroom and noticed that the shower had recently been used due to the walls being wet. Inside the bathroom was a hamper with clothes at which time I located a black pair of jeans size 33 that seem to match the jeans that the suspect was wearing as he fled on foot. After observing the jeans in the

bathroom it led me to believe that the suspect entered the residence removed the jeans and entered the shower in an attempt to conceal that he was just fleeing on foot.

After clearing the residence I asked the occupants if anyone saw \*\*\*\* enter the residence. \*\*\*\*\* advised me that she is \*\*\*\*\*'s sister and was on the couch in the living room watching television when \*\*\*\* arrived home. \*\*\*\*\* stated that \*\*\*\* arrived home approximately 15 minutes ago and went straight to the room to take a shower. She stated a short time later she heard subjects knocking on the front door at which time she went and got \*\*\*\*. \*\*\*\*\* stated she did not see what \*\*\*\* was wearing at the time he entered the front door.

Officer Cordell had the vehicle removed and stored by Salinas towing.

**Victim: \*\*\*\*\***

After \*\*\*\* was transported to the PD I responded back to \*\*\*\* E. \*\*\*\*\* and made contact with the home owner \*\*\*\*\*. \*\*\*\*\* advised me that 2 of the fence boards had been broken at the time the suspect jumped the fence. \*\*\*\*\* said he would be temporarily fixing the fence tonight and estimated the damage to be approximately \$30 dollars.

After arriving back at the PD I placed \*\*\*\* into the interview room and read him his rights from my department issued Miranda Card. At 0315 hours, I asked \*\*\*\* if he wished to talk to me at which time he stated "Yes I'll talk to you". The following is a summary of his statement. \*\*\*\* stated that he went to his girlfriend's house at approximately 2200 hours and was hanging out with her. \*\*\*\* stated that he then asked his friend \*\*\*\*\* if he could borrow \$20 dollars at which time he said yes. \*\*\*\* stated that his girlfriend \*\*\*\*\* took him to \*\*\*\*\*'s house in her vehicle to pick up the money. \*\*\*\* stated that they then proceeded to Liquor Locker to buy a few things and responded back to his residence on \*\*\*\*\*. \*\*\*\* stated that they were in \*\*\*\*\*'s car for over an hour and he was with her the entire time. \*\*\*\* stated the reason that he went inside to take a shower was that they were having sex in the car and he was sweaty.

I asked \*\*\*\* if he had ever worked under the name \*\*\*\*\* at which time he stated no and proceeded to say that he has only worked under his given name of \*\*\*\*\*. \*\*\*\* stated that he currently works at Mt. View Cold Storage and has been there approximately 2 weeks. I asked \*\*\*\* where he worked at before that and he stated a packing house in Reedley but was unsure of the name. He attempted to state the name but was having trouble pronouncing it. I asked him if he had ever worked at Brandt Farms and he stated he doesn't think so. \*\*\*\* continued to state that he was with \*\*\*\*\* the entire time and he was not the suspect that we were looking for. \*\*\*\* advised that \*\*\*\*\* could corroborate his story and again stated he was with her the entire night.

I asked \*\*\*\* if he was wearing black pants tonight and he stated no. \*\*\*\* stated that he was wearing black shorts and a white shirt, but never had black pants on. I advised \*\*\*\* that I located a pair of black pants in the laundry basket next to the shower. \*\*\*\* stated that he has several pairs of black pants but they are all clean and in the closet. I proceeded to ask \*\*\*\* what type of vehicle he has and he stated he has a BMW but it is not running at the moment. I asked him where he got the Eclipse from and he stated that he does not have an eclipse and does not know anything about an Eclipse.

After the interview was complete I asked \*\*\*\* for \*\*\*\*'s telephone number in order to obtain her statement. \*\*\*\* opened his cell phone at which time I asked him if he would show me his call log. \*\*\*\* advised me I could look at whatever I wanted on his phone and he had nothing to hide. I observed a call to \*\*\*\* at 0225 for approximately 2-1/2 minutes. This phone call led me to believe that \*\*\*\* may have called \*\*\*\* once he was inside his residence to tell her what had taken place and advised her to state that she was with him the entire night.

After booking was complete on \*\*\*\* he was transported to Pre-Trial by Officer Gonzalez for housing. When Officer Gonzalez advised over the radio that he was back in the City I requested he go by \*\*\*\*'s house and request that she respond to the PD for questioning regarding the incident. Officer Gonzalez advised that \*\*\*\* had agreed and would be arriving shortly.

\*\*\*\* arrived at the PD at approximately 0550 hours and was placed in the interview room. She was advised she was not under arrest and was free to leave at any time. Officer Gonzalez assisted me with translation during the interview. \*\*\*\* was asked how she knows \*\*\*\* and she stated that he was her boyfriend for close to a year. \*\*\*\* stated that \*\*\*\* came over to her house this evening 07/06/2019 approximately 2100-2200 hours. \*\*\*\* stated that someone at \*\*\*\*'s house had asked him for chips or a snack so \*\*\*\* asked a friend to borrow money so he could get the snacks. \*\*\*\* stated that she drove \*\*\*\* to an unknown friend's house to borrow \$20 dollars and then proceeded to Liquor Locker to purchase the items. \*\*\*\* stated then then drover to \*\*\*\*'s house and \*\*\*\*ed out in front for a while. \*\*\*\* said that \*\*\*\* lost his phone and went into the residence for a while to look for it and then returned. \*\*\*\* said that \*\*\*\* then went inside for good and she drove off.

\*\*\*\* stated that she was stopped by Officer Gonzalez who was on perimeter as she was leaving the residence and told him she had just left a friend's house. \*\*\*\* stated that \*\*\*\* then called her to see if she made it home at which time she told him that she was stopped and her vehicle was searched for a suspect. \*\*\*\* advised that both of them were in her vehicle in front of the house when they saw all of the Police begin surrounding the neighborhood. \*\*\*\* stated that it could not have been \*\*\*\* due to the fact that he was with her the entire night.

I asked \*\*\*\*\* what \*\*\*\* was wearing and she stated black shorts and a white shirt. I asked \*\*\*\*\* if she knew what type of vehicle \*\*\*\* drives and she stated a BMW but it was not running at the time and also stated he drives some of his parent's vehicles. I asked her if she knew when \*\*\*\* purchased the Eclipse and she stated she knew nothing about any other car that he may have.

On 07/07/2019 approximately 0830 hours I contacted \*\*\*\*\* via telephone and requested he respond to the PD to question him regarding \*\*\*\*'s statement. A short time later \*\*\*\*\* arrived at the PD and was placed in the interview room. I advised him he was not under arrest or being investigated and was free to leave at any time. I advised \*\*\*\*\* that \*\*\*\* had stated that he spoke with him early in the day at which time he stated yes. \*\*\*\*\* advised that \*\*\*\* had asked to borrow \$20 and \*\*\*\* had showed up where he was at to get it. \*\*\*\*\* stated that the contact was short and brief due to him just needing the money. \*\*\*\*\* stated that he was unsure what \*\*\*\* was wearing due to the fact that he was intoxicated and does not remember.

**Investigation:** During my follow up investigation on 7/7/19 I was unable to make contact with either business due to the fact that it was Sunday and they were not open for business. Therefore the investigation was continued on 7/8/19 when the businesses re-opened.

On 07/08/2019 approximately 0900 hours I responded to SeaCa located in the city of Dinuba to investigate one of the check stubs that was thrown from the vehicle. The Check stubs show that \*\*\*\* \*\*\*\*\* worked there for a very short time. As I was informing SeaCa of the situation they advised me that \*\*\*\*\* worked at their plant through a temp agency called Full Steam Staffing and I would need to contact them in order to obtain any information on him. I then contacted Kathy \*\*\*\*\* in HR at the corporate office of Full Steam Staffing. \*\*\*\*\* advised that they did in fact have a \*\*\*\* \*\*\*\*\* working for them for a short time but no longer works there. \*\*\*\*\* stated that \*\*\*\*\* worked through their agency from 05/13/2019 and was let go on 05/31/2019. I asked \*\*\*\*\* if she could send me over all the information and a picture of \*\*\*\*\* . \*\*\*\*\* advised she would and later emailed them to me through my work email.

After receiving the email I discovered that the picture of \*\*\*\* \*\*\*\*\* did not match \*\*\*\*. Due to the fact that I had located a Brandt Farms check stub with the same information on it I responded there immediately after leaving SeaCa for further investigation. After arriving at Brandt Farms I made contact with Tracy \*\*\*\*\* who advised she was the night shift supervisor and knows \*\*\*\*\* very well. Several people at Brandt Farms starting pulling his file and also printed out a picture of his work ID. This picture matched the picture I had just received from Full Steam Staffing.

I asked \*\*\*\*\* when was the last time that she saw \*\*\*\*\* and she stated on Sunday morning when he got off at work at 0200 hours. I then asked if they had a printout of when he clocked in and out that day at which time they provided me a copy of it. \*\*\*\*\* stated that \*\*\*\*\* had arrived to work late on Saturday evening around 2230 hours and did not clock in till 2238 hours. \*\*\*\*\* stated that \*\*\*\*\* had texted her stating that he was going to be late due to the fact that his wife was not home yet and he did not have any one to watch the kids. On the printout it shows that \*\*\*\*\* clocked out at 2605 hours, at which time I questioned them regarding the time. \*\*\*\*\* stated that 2605 means 0205 but they keep track of it differently for payroll purposes. She stated that if you start a shift the night before they don't want the system to think you worked all the \*\*\* until the follow day. She said it's just a method they use but re-confirmed that \*\*\*\*\* got off work at 0205 hours on 07/07/2019.

I then asked \*\*\*\*\* if she knew what type of vehicle \*\*\*\*\* drives and she stated she isn't sure on the exact make and model but described it as a silver 2 door vehicle. I asked \*\*\*\*\* if she knew how long \*\*\*\*\* has had that certain vehicle and she stated ever since he had started working at Brandt Farms which was in early June of 2019. I questioned \*\*\*\*\* if she knew what type of clothing \*\*\*\*\* was wearing that night and she stated she was unsure. I then asked if there was video surveillance that could be seen to observe what type of clothing \*\*\*\*\* was wearing. \*\*\*\*\* then proceeded to take me to where the video could be played and pointed out \*\*\*\*\* on the screen the night of 07/07/2019. It should be known that \*\*\*\*\* was observed wearing black pants, gray shirt and a red hat. It should be noted that a red hat was located in the passenger front seat of the suspects' vehicle as it was being searched.

I then showed \*\*\*\*\* a picture of \*\*\*\*\* that I had just received from Full Steam Staffing and she stated yes that's him. \*\*\*\*\* also stated that \*\*\*\*\*'s goatee is fuller (grown out more) than it is in the picture. I then had her look at the picture of \*\*\*\*\* she had just provided me and she stated the same thing about his goatee being fuller or grown out and stated his hair is a bit longer as well. I then showed her a photograph of \*\*\*\* and asked if she knew him and she stated no but stated that it's not \*\*\*\*\*.

Based on the evidence obtained at Brandt farms it was determined that \*\*\*\*\* was in fact the driver in the pursuit and not \*\*\*\*. The evidence shows that \*\*\*\*\* left work at 0205 hours and was observed on surveillance wearing black pants, gray shirt and a red hat. \*\*\*\*\* also described \*\*\*\*\*'s vehicle that he drives to work on a daily basis as the same type of vehicle that was in the pursuit.

I then responded back to the PD and made contact with Sgt. Ashford and advised him of the new evidence that was obtained. I advised Ashford that I was going to be releasing \*\*\*\* from custody and filled out a PC 849 (B) form which he

signed. I then drove to Tulare County Men's Facility where \*\*\*\* was located and provided them the form and requested \*\*\*\* be released. I then placed \*\*\*\* in the back of my patrol vehicle and advised him of the situation and transported him back to his residence. \*\*\*\* was provided a copy of the form and his property that was held during the time he was in custody. While dropping \*\*\*\* off at his residence he advised that he was not involved and that as I investigate it further it will show that he was not the one I was looking for.

I later had dispatch run a wants/warrant check and CDL status on \*\*\*\*\*. Dispatch advised me that \*\*\*\*\* was on probation for a prior DUI, had a no bail misdemeanor warrant and his CDL status was suspended/revoked due to a DUI and was required to have an interlock ignition device in any vehicle he drives. It should be noted that no IID was observed inside the 2002 Mitsubishi that was stored.

I returned to work on 07/09/2019 at 2130 hours and advised Sgt. Robison of the incident that had occurred. I advised Robison that \*\*\*\*\* had an active warrant and I was going to respond to his house in order to serve the warrant. At 2155 hours, Officer J. Silva and I arrived at \*\*\* S. \*\*\*\* and attempted to make contact at the residence. A short time later an older man answered the door and advised he was \*\*\*\* \*\*\*\*\*. I asked him if his son \*\*\*\* was here and he stated no. \*\*\*\* \*\*\*\*\* senior said that he has not been home and is not currently home.

At that time a female later identified as \*\*\*\*\* came to the door and advised she is \*\*\*\*\*'s girlfriend and mother of their 2 children they have in common. I asked \*\*\*\*\* if \*\*\*\*\* was home and she stated no, and we were welcome to come in and check. I asked \*\*\*\*\* if \*\*\*\*\* had been home and she stated that he was home earlier from 1830-2130 hours and left shortly before we arrived. \*\*\*\*\* stated she knows \*\*\*\*\* has a warrant but stated he has been avoiding it due to the fact that they need 2 incomes. I advised \*\*\*\*\* there were a few other things that we needed to discuss with \*\*\*\*\* and I asked her if he mentioned anything to her regarding it. \*\*\*\*\* initially denied knowing anything but then stated that \*\*\*\*\* had in fact told her what had taken place.

\*\*\*\*\* stated that \*\*\*\*\* did not return home until approximately 0600 hours on 07/07/19 and she questioned him as to where he had been. \*\*\*\*\* stated that \*\*\*\*\* said he was on his \*\*\* home from work when a cop "flipped it" on him and he got scared because he did not want to get arrested. \*\*\*\*\* stated that \*\*\*\*\* then advised he "took off" and ran from the cops and then crashed around the corner from their house and fled on foot. \*\*\*\*\* stated that \*\*\*\*\* then came home after he believed it was safe to return.

I advised \*\*\*\*\* that she could also face charges if she is helping him avoid being arrested at which time she advised she was aware of that. \*\*\*\*\* stated that she is sick of \*\*\*\*\* al\*\*s getting into trouble and would encourage him to turn

himself in. I then asked \*\*\*\*\* what type of vehicle \*\*\*\*\* drives and she stated she isn't good with types of vehicles but knows it's a smaller Silver 2 door type. I then provided \*\*\*\*\* with my business card and advised her to encourage \*\*\*\*\* to turn himself in.

**Evidence collection:** All of the evidence collected was booked into the PD.

**Follow-up:** On 07/10/2019 approximately 2245 hours, I was contacted via telephone and advised that \*\*\*\*\* had responded to the PD to turn himself in. I then proceeded to the PD and made contact with \*\*\*\*\* in the booking room. Prior to booking I placed \*\*\*\*\* in the interview room and read him his rights from my department issued Miranda Card. After reading him his rights I asked him if he wished to talk to me now and he stated "No". No questions were asked regarding the incident. \*\*\*\*\* stated during booking that he was at the PD to turn himself in on the warrant. I advised him that he was also under arrest and being charged with the failure to yield on 07/07/2019. \*\*\*\*\* did not make any comment regarding the incident. After booking was complete I transported \*\*\*\*\* to Pre-trial for housing.

**Supplement 01**

On 07/07/19 at approximately 0216 hours, I (Officer A. Cordell) was on duty in a Peace Officer capacity. At this time I heard Officer R. Clifton broadcast over the radio that he had a vehicle that was failing to yielded and that he was in pursuit of the vehicle.

While in pursuit of the vehicle, which Officer Clifton stated was a silver Mitsubishi Eclipse, he stated the driver of the vehicle was throwing money out of the vehicle. Officer Clifton stated the money was being thrown out in front of Dinuba Downs (580 N. Crawford Ave). The pursuit was then terminated and the subject fled on foot. Officer R. Clifton then requested I respond to the area of Dinuba Downs and recover what was thrown from the vehicle.

I arrived in the 500 block of N. Crawford Ave and located multiple pieces of paper which were pay stubs in the name of [REDACTED]. I recovered all of the pay stubs and advised Officer Clifton of my findings. I then responded to the termination point of the pursuit. I assisted Officer Clifton by completing a CHP 180 form and towing the vehicle. The vehicle was towed and stored by Salinas Towing.

I later turned over the recovered pay stubs to Officer Clifton.
